# ***THE ELITE ADVANTAGE***

## ***EXPERTISE***

Elite utilizes 30 plus years of Specialty Tape and Converting expertise to ensure you get the highest quality products for the right application.

## ***VARIETY***

Elite offers its customers one of the largest selections of specialty tapes in the industry. In addition, We offer a "One Stop Shop" for your tape needs. This includes converting, stocking and Just-In-Time shipping.

## ***SERVICE***

Elite offers a "Quick Ship" program with many of our stock products. "Quick Ship" products ordered by noon CST ship the same day. All other custom converting orders ship within 24-48 hours from the time the order is placed.

## ***VALUE***

Elite partners with over 25 different tape manufacturers, domestic and foreign, allowing us to negotiate the best prices for our customers. Coupled with our unique custom converting capabilities, we can minimize the high finishing costs at the mills, passing the savings directly on to our customers.

## ***QUALITY***

Elite offers only the highest quality tape products from leading manufacturers in the industry. We offer a 100% warranty on all our products to be free from defects in material and workmanship. (Please see warranty details.)

## ***FLEXIBILITY***

Elite understands the needs of our customers and we offer the flexibility to provide low minimums on most of our products. Elite will convert any stock product with a 1 roll minimum.

## ***BRANDING***

Elite offers "Contract Converting" and "Private Label Programs" providing our customers with truly custom products that promote their brand. We can handle the design, custom converting and custom packaging to meet all their needs.

## ***PARTNERSHIP***

Elite offers a customized stocking programs for its customers called "Pay as you Pull". Elite will stock any product, in any size, packaged and ready to ship anytime. Customers can reduce their lead times and free up cash flow. Customers pay as they pull.
